FEATHERS IN THE WIND

It would be nice to say that my age was causing all these problems, but, let's face it, when it comes to reading instructions and putting them into action, I am a failure.

Take, for example, CDs. I was sure that, once I had mastered those discs, my life would run smoothly. Wrong!

First, it was getting the infernal discs out of the cellophane packages. They are so well sealed that even a serrated knife does not help, nor do scissors, teeth, fingernails and etc. Once, by some luck, you get the cellophane off, you have to remove the disc from the container, which means bending the case and slowly pushing your fingers underneath the disc to get some traction, then carefully lifting the disc out, praying that you will not break the fool thing, or the case.

Now, comes the real test: putting the disc into the player. I, in my foolishness, thought that all I had to do was put it in and press a button. Forget it! You have to press certain buttons in correct order, hoping sound will result.

After many tries something comes on, and you sit back in exhaustion, only to find that the technical geniuses have done it again, and gone back to vinyl records. Great! I got rid of those awhile back along with my wonderful record player, which I have

AMANA NEWS AND NOTES

20 year old Victim Found Alongside Lake Arrest Made Tuesday

Sunday morning, Feb. 18, at 10:12 a.m. Iowa County emergency dispatch received a call from citizens that the body of an "unknown female" had been discovered at the Lily Lake picnic area on the northshore of the lake.

Iowa County Sheriff Rob Rotter issued a press release Tuesday, Feb. 20 stating the following: "The previously unidentified body of the female located Sunday morning (2-18-24) at the Amana Lily Lake has been identified as Melody M. Hoffman, age 20, of Marion, Iowa.

Criminal charges related to this incident have been filed in Linn County District Court against McKinley Louisma (male), age 23, of Hiawatha, Iowa.

An autopsy of Melody Hoffman has been performed at the Iowa State Medical Examiner's Office in Ankeny, Iowa. A final report from the Medical Examiner is pending.

This is an ongoing investigation involving several area law enforcement agencies."

According to the affidavit submitted by the County Attorney in Linn County District Court, Louisma McKinley, age 24, of Hiawatha was arrested and has been charged with kidnapping first degree and other charges in connection with this incident. Additional charges may be filed upon investigation. Louisma was arraigned Tuesday and is in custody.

It also states that the Iowa State Medical Examiner's Office has indicated that the preliminary opinion is that Melody Hoffman was stabbed repeatedly and died from strangulation.

By talking to witnesses and tracking activity on her iPhone and her Apple watch through her iPhone, investigators were able to determine that Hoffman was picked up by Louisma in his vehicle about 11 p.m. on Saturday night and remained with him until she died. She was taken to Morgan Creek Park. Data from Hoffman's Apple watch showed that her heart beat intensified and then stopped or the device deactivated while she was at Morgan Creek Park.

Officers reported that Louisma admitted that he was with Hoffman and with another person (not identified by name in the affidavit) and that he and the other person bound Hoffman with duct tape at Morgan Creek Park, placed her in the trunk of his car and drove with her to several locations, until they reached the Lily Lake. The defendant said that he had been in an intimate relationship with the victim and was still seeing her. He was also in a relationship with another person.

The defendant's vehicle was located by investigators and a search warrant revealed items in the vehicle including a white Apple watch band with blood on it, Hoffman's phone case, a bungee cord, towing rope, gloves and clothing matching the clothing she was said to be wearing Saturday.

The Iowa County Sheriff's office, the Marion Police, the Linn County Sheriff's office and the Iowa Department of Criminal Investigation are investigating.

Amana RV Park –

Looking Forward to 2024 Events

Jamie Wolter, manager of the Amana RV Park and Event Center has released their calendar of events and boy, it's a full one with the Iowa Renaissance Faire returning in May and October, large weddings booked, RV camper rallies set to arrive, the very popular American Kennel Club dog show returning and more.

Plus the Find and Flourish market, a curated selection of midwest-produced art, florals, plants, home décor, accessories and foods is returning to Amana for two weekends on June 7 - 9 and again on October 25 - 27.

Not every event uses every building or site so if you have an event you would like to arrange or wish to reserve a campsite, please give the folks at the RV Park a call.

Remember they can reserve you the buildings and pavilion at the Middle Amana Park as well, an affordable option for receptions, parties, reunions. The office phone is 319-622-7616

The RV Park will be adding a new playground this spring so that's a neat new feature on the grounds. They hope to have it open in May.

saved up for quite a long time.
I feel like such a fool because, between messing with computers and CDs I seriously wonder whether can master anything technical. I know that it is winter and it is bleak outside, but my body aches and we are not going on any vacation, not am I looking forward to any special holiday because was Lent was just last week.
God never promised us a perfect life. There would always be good and bad days, and minor frustrations, so I guess that I have to swallow and try again.
