## AMANA NEWS AND NOTES

Effective February 1, Skogman Insurance, the Skogman Building, 417 First Ave. SE Cedar Rapids, purchased Amana Insurance.

Amana Insurance has been part of the Amana Society since 1936 though a subsidiary business that was not managed by the Main Office. By 1944 Walter Wendler was the salesman selling life insurance and property insurance. One primary goal was to provide insurance coverage for the society's properties. The business grew and continued to grow particularly in auto and property insurance sales as ASI brought it fully under the umbrella of the ASI corporation and dedicated independent salesmen built strong customer ties throughout eastern Iowa.

Significant challenges within the insurance industry, particularly in property insurance and the rising cost of premiums, led Amana Society management and board members to look at long range solutions for its Amana Insurance customers. Skogman Insurance and the Amana Society began negotiations directed by ASI management last summer with attention paid to the use of the Amana name, the location of the office and the future of the Amana Insurance team, until an agreement to purchase was struck.

Skogman Insurance, locally owned, has been in the insurance business in eastern Iowa since 1965 selling to families, businesses and nonprofits offering property, auto, liability and life insurance. Skogman works directly with more than twenty insurance carriers including industry leaders: Nationwide Allied, Westbend, Western National, Berkshire Hathaway, Markel, State Auto and Progressive as well as carriers that serve specialized needs. They offer a wide range of products and services in home and family property, auto, renters insurance, commercial property insurance, commercial liability and business insurance.

Billy Martin, Amana Agency Manager, told us, "By joining Skogman insurance, Amana Insurance now has access to expanded resources and a broader network of insurance carriers allowing us to continue ensuring you have the best coverage options available now and in the future. Both Amana and Skogman Insurance have strong ties to the communities we serve and a commitment to relationship-driven customer service. . . this partnership is a natural fit. . . this is truly a good thing for our agency and our clients to be able to serve them to the level we want to be able to."

Martin added that there will be no change to the name, the staff or the office location as a letter sent to all customers stated. He said that a staff member will be added to the Amana Insurance team.

**Amana Elementary Welcomes Students**
**Open Enrollment Starts Now 2026-27**

The application process is open now and an application is available on line on the CCA website under the Amana Elementary tab or under the Enroll tab at the top of the homepage.

Or simply contact Brad Fox directly at bradfox@ccaschools.org for an application and information about the school.

With about 126 students in kindergarten through fourth grade Amana offers a STREAM- focused experience. STREAM means there is an emphasis on science, technology, reading, engineering, arts and math, through hands-on, project based learning that fosters critical thinking and creativity.

Families who reside outside Clear Creek Amana School district boundaries will need to fill out the Magnet School Application due February 27, and follow Iowa's open enrollment process, with open enrollment due by March 1.

**Stuff To Do On a Winter Day**

We all know how boring winter can be but there are some very cool local options for things to do. Here are some suggestions based upon things that have crossed my desk this week.

- Crokinole Day. Every Saturday from 3 to 5 p.m. you can learn to play. Crokinole, I'm told by a sincere fan, is "disk flicking" board game that resembles tiddlywinks or tabletop shuffleboard. Players take turns "shooting" discs across the circular playing surface trying to land their discs on specific areas of the board to earn points. There is strategy and gamesmanship involved. Every Saturday at the Ronneburg they set up the boards and invite people to play. Don't know how to play? Don't worry as someone will teach you.
- Fireside Winery offers an entertaining line-up of mini workshops at the Winery near Conroy. Yes, Ackerman Winery in Amana does as well so check out their Facebook pages or websites for their schedule of classes. Saturday, Feb. 7 they will be teaching how to decorate sugar cookies like a pro and creating some fun little gnomes for Valentine's Day. 10:30 a.m. – 12:30 p.m. Sign up please. Fee includes all your supplies.
- At Fireside Winery. On Sunday, Feb. 8 it will be a "SIP and Paint" day starting at 11 a.m. with Barb Thompson teaching beginning level watercolor. Supplies are included with class fee. Ages 8 and up are welcome.
- Got a group to get together? Feb. 6 and 7 at the Ox Yoke Inn offers "Murder Case Files" free , interactive murder mystery experiential games. Solve the clues, uncover the truth, catch the killer. Book ahead and enjoy a free appetizer of your choice while you play. Friday 5 – 8 p.m. upstairs in the Ox Yoke and Saturday 11 till 8 p.m. in the Bierstube.
- Ice skating. Check the ice out of course, but we are told the ice is pretty good on shallow ponds and marshy pools, but be careful on the river or any deep water as there are open portions even now. Head to Coralridge Mall to skate indoors. They have open public skating every day and even offer learn to skate sessions. Check their website at Bodyarmoricerink.com

**Note of Correction**

My whole life I thought that Watts Pond, an oxbow located beside the Iowa River to the south and west of West Amana was Watts Pond when in fact it was "Vogt's Pond." I had heard, never read, the name, spoken by my Opa and my Dad who pronounced it with a strong German - Schwabian flavor turning the V into a W. Thanks to Lynn Trumpold who pointed this out to my Mother. Thus we shall correct my essay of late January on ice cutting in communal Amana and hopefully keep future Amana residents from making this mistake.

Thank you Vogt family for settling and keeping your neck of the Iowa River valley and providing West Amana with a handy oxbow from which to cut ice.

I will add that 8 months before my wedding while walking behind my Dad and future husband into Vogts Pond where we were building some sort of duck blind they stopped and I kept walking and I walked right into the end of a 2 by 4 being carried over Bob's shoulder. It bled quite a bit so they hauled me down to Dr. Carroway's who determined that it would scar less if he closed it with butterfly sutures, which he did. It looked fine on my wedding day. Now I know where this event truly took place.
